

AT YOUR SERVICE

As soon as we are notified that you have received care from the hospital, or you have become a patient, you will be contacted by a representative of our service or a hospital employee. You will be asked to cooperate with these individuals in completing the necessary paperwork to determine which programs you may qualify. Please provide them your utmost cooperation during this application process. Should you or your family have any questions at any point in the application process, **please call 1-800-247-3328.**

ARE YOU COVERED?

Many Americans fall into the category of *uninsured* or *underinsured* when it comes to their health care benefits. We have teamed up with your hospital to provide you with all the required assistance you will need to explore eligibility of the many programs that provide payment of your hospital bill and may provide you with future health care coverage and other applicable benefits. This service is provided as a public service by this hospital without cost to you or your family.
